## OUTDOOR FURNITURE

Birrabang is a word of the Wiradjuri Language meaning 'outside'.

The beauty of the heritage is acknowledged in the uniqueness of each piece that can not be found in new timber. Each piece is authentic, brought to us with a story of its own crafted into it, waiting to be made part of another world full of lessons and life. Just like the Wiradjuri people adapted to sudden colonial occupation - the Birrabang Furniture is adaptable for indoor and outdoor use.

**For longevity, the Birrabang Furniture is best stored undercover and away from the direct elements.**
